

“To Do.” *TimeOut New York* (November 16, 2016) [ill.]

**TIME OUT  
LOVES**

Our top picks this week

**CAROL BOVE**

Tubing, conduits and sheets of steel have been bent, crushed, twisted and partially painted in bright colors to realize these sculptures, name-checking John Chamberlain and Anthony Caro.

→ David Zwirner, 525 & 533 W 19th St (212-727-2070, davidzwirner.com).

Through Dec 17.

The complex block contains a section header "TIME OUT LOVES" with horizontal lines above and below. Below it is the sub-header "Our top picks this week". A photograph of a yellow sculpture made of bent and crushed steel tubing is shown. Below the photo is the name "CAROL BOVE" in bold. A paragraph of text describes the sculpture's materials and inspiration. A line of text provides the gallery's name, address, phone number, and website. The final line indicates the exhibition's duration.
